Socielle

E S P R E S S O & D I N E

Socielle is a combined concept of an eatery and espresso bar which is located in the middle of Solo city. We specialize in fusion Nusantara dishes with high-quality ingredients, as well as Indonesian top-graded specialty coffee beans for our beloved city's coffee addicts. Socielle itself represents the word social where people can gather up to meet and socialize, accompanied by an excellent experience of food and beverage products.
